Free New C-ByteDirect User Orientation

Learn how to maximize your online efforts.

WHAT: Welcome to the C-ByteDirect (New User Orientation)

We would like to welcome you to C-Byte and show our thanks by providing you with the basics of how C-Byte works, service request tips, and show how easy the process truly is. We will show you how to get the most advanced and robust system for data center service and support.

Please join us to learn the very best way to achieve your goals.

WHERE: Online From Calgary Headquarters

WHEN: Monday through Friday
Various Convenient Times to Choose From
Press briefings available with R.S.V.P.

ORIENTATION

DETAILS: **Panelist(s) Info:** C-Byte Customer Support

Duration: 1 hour

C-Byte Customer Support will cover the following:

- How to use your C-Byte account as a valuable business tool
- How to simply and easily submit service requests
- How and when you should take advantage of C-Byte's broader channels that include solutions, and security.
